BEHAVIOUR PACKAGES FOR DOG OWNERS

These packages consist of private lessons which are designed for you to undertake at times which fit in with YOUR schedule.

If you buy a package from me, then the cost per session is reduced. If your main issue is mentioned here, AND you have a secondary issue that you need help with, we may be able to deal with both within that package to save costs for you by maybe adding one extra session on. I am happy to discuss this!

Nice Walkies! ***(Teaching Loose Leash Walking)***

Do you have a dog that drags you along at the end of the leash? Do you feel as if your dog is going for a walk and you're just along for the ride?

If this sounds familiar then walking your dog isn't much fun. Having a dog that pulls on leash may result in injury to you (shoulders, back etc.) and perhaps injury to your dog.

Let me show you how to teach your dog to walk nicely on leash so you can start to enjoy your walks together!

Nice Walkies – Three Sessions

*3 sessions, each two weeks apart to allow you time to put into practice what you learned at each session. Each session will be 45 to 60 mins. **The cost includes access to me via email or phone during the time we are working together and for 4 weeks after the date of our last session together.***

Session 1 is an assessment, meeting you and your dog, and may be at your home or meeting at a park locally.

At this session I will be giving you some exercises to learn and practice which will help when
/cont...

we meet for our first working appointment.

I will then submit to you a written assessment with an invoice for our sessions which please pay at that time. I will also send to you a document containing my terms and conditions for you to sign, which is a requirement of my insurance company.

The two sessions thereafter will be working sessions outside with you. I will film these sessions which will be uploaded to a You Tube channel and the link sent to you. This will help you to remember what we did during the session so that you can practice. As well as being able to watch again what we did, you will also be able to hear the instructions I gave to you at the time.

Cost: \$300 payable by cheque or e-transfer on receipt of my invoice.
