BEHAVIOUR PACKAGES FOR DOG OWNERS

These packages consist of private lessons which are designed for you to undertake at times which fit in with YOUR schedule.

If you buy a package from me, then the cost per session is reduced. If your main issue is mentioned here, AND you have a secondary issue that you need help with, we may be able to deal with both within that package to save costs for you. I am happy to discuss this!

THIS PACKAGE:

Come back Fluffy! ***(Teaching your dog to come back to you when off leash)***

Having a dog with no recall is like a game of chance. Taking off the leash can be like rolling a dice and betting what the odds are of your dog coming back to you when you need him to. You could be there a long time, pleading in quiet desperation (or sometimes loud desperation) for your dog to return to you. It's stressful and it can be exhausting.

Teach your pup to come back when you call – no more betting on the odds of it happening. You'll know every time that you're on a winning streak!

Recall Package – Four Sessions

4 sessions, each two weeks apart to allow you time to put into practice what you learned at each session. Each session will be 45 to 60 mins.

/cont...

The cost includes access to me via email or phone during the time we are working together and for 4 weeks after the date of our last session together.

Session 1 is an assessment, I will take notes of you and your dog's history together, the issues you have, and we discuss how we might resolve them. This session normally takes between 1 to 1.5 hours. If I am able to record the session, I will send you a copy of the recording (sometimes, for some reason, the session won't record!)

At this session I will be giving you some exercises to learn and practice which will help us when we meet for our first working appointment.

I will then submit to you a written assessment and training plan along with an invoice for our sessions which please pay at that time. I will also send to you a document containing my terms and conditions for you to sign, which is a requirement of my insurance company.

The three sessions thereafter will be working sessions outside with you. I will film these sessions which will be uploaded to a You Tube channel and the link sent to you. This link will be only available to you and not public. This will help you to remember what we did during the session so that you can practice. As well as being able to watch again what we did, you will also be able to hear the instructions I gave to you at the time.

Cost: \$390 payable on receipt of my invoice via cheque or e-transfer
