WOOFERS' BEHAVIOUR PACKAGES FOR DOG OWNERS

These packages consist of private lessons which are designed for you to undertake at times which fit in with YOUR schedule.

THIS PACKAGE:

Come back Fluffy! *(Teaching your dog to come back to you when off leash)*

Having a dog with no recall is like a game of chance. Taking off the leash can be like rolling a dice and betting what the odds are of your dog coming back to you when you need him to. You could be there a long time, pleading in quiet desperation (or sometimes loud desperation) for your dog to return to you. It's stressful and it can be exhausting.

Teach your pup to come back when you call – no more betting on the odds of it happening. You'll know every time that you're on a winning streak!

Recall Package - Four Sessions

4 sessions, each two weeks apart to allow you time to practice what you learned at each session. Each session will be 45 to 60 mins.

The cost includes access to me via email or phone during the time we are working together and for 4 weeks after the date of our last session together.

Before we meet for the first time, I will submit to you an invoice for all of our sessions. I prefer to be paid via e-transfer but a cheque is OK too. I will also send to you a document containing my terms and conditions for you to sign, which is a requirement of my insurance company.

Session 1 will be a discussion about the issues with your dog's recall, and most likely will involve us meeting outside so I can observe your dog, and the relationship between you and your dog, which will help me decide the best method to help you both. We'll then discuss how we can resolve this behaviour issue.

At this session I will be giving you some exercises to learn and practice which will help us when we meet for our next appointments. You will receive a detailed handout/s containing these exercises with some videos to help you.

The three sessions thereafter will be practising the various techniques you've learned and getting the mechanics of the training right, which are important when training. I will film these sessions which will be uploaded to You Tube and the link sent to you. This will help you to remember what we did during the session so that you can practice. As well as being able to watch again what we did, you will also be able to hear the instructions I gave to you at the time.

Cost: \$400 payable by e-transfer or cheque on receipt of my invoice.
